**Dear Patient:**

We would like to take this opportunity to welcome you to our practice.

If your appointment is scheduled at the Good Samaritan Hospital office, please arrive at our office in Suite 303 of the Smyth Professional Office Building at Good Samaritan Hospital. You may view a map of the Good Samaritan Hospital campus via the following link: <http://www.goodsam-md.org/body.cfm?id=48>. Upon entering Good Samaritan Hospital, follow the signs for the Smyth Professional Office Building, and park in Lot B or C.

If your appointment is scheduled at the GBMC office, please arrive at our office in Suite 701 of the West Pavilion at GBMC. You may view a map of the GBMC campus via the following link: <http://www.gbmc.org/body.cfm?id=79>. Upon entering the GBMC gatehouse, follow the signs for DAFFODIL PARK (Physicians Pavilion West).

To save time on the day of your visit, please complete all the information on the forms enclosed. Bring the forms with you on the day of your scheduled appointment. We realize there are many forms to complete, and we appreciate your patience and cooperation. In order to provide you the best medical care possible, these forms are an important part of your record. Additionally, in order to be in compliance with federal, state, and hospital policies, these documents are required.

If your insurance is an HMO or Managed Care plan, it is your responsibility to obtain the necessary referral form or pre-authorization for your visit. Under the terms of your plan, the doctor will not be able to see you without necessary referrals. Co-payment for services will be collected at the time of service. Be sure to bring your insurance cards with you.

Thank you for making an appointment with Good Samaritan Hospital Vascular Surgery/GBVS. If you have any questions, or if you need to change your appointment for any reason, please contact our office. Also, please take a moment to explore our website at [www.gbvs.org](http://www.gbvs.org). We look forward to seeing you soon.

Sincerely

Good Samaritan Vascular Surgery/GBVS
